There is no financial objection to the proposal But it is a question for consideration whether, in view of the fact that there is a proposal to abolish octroi duties in minor municipalities it is advisable to make the [illegible] permanent.

(Note (9)) Perhaps the Abby may first be heard 1/3/1913. Whether they are prepd to consider the question of doing away with the octroi duty in view of the consequent loss to the people may be allowed to continue as otherwise there will be some trouble to reestablish them in future.

Final Note

The levy of octroi and market fees in the Hirakkera Municipality was sanctioned for a period of five years in G O No 152-3, dated 10th July 1911. The Hirakkera Municipal Board and the Deputy Commissioner of Municipalities, Chitaldrug District, propose that it may be permanently sanctioned with an establishment of 2 peons on Rs 6 each per mensem and a monthly contingent grant of Rs 2.

2 The system was worked from 2nd Aug 1911 and the same yielded up to 25th June 1912, Rs 782-9-2 under octroi and Rs 318-14-0 under market fees. The yield is satisfactory for a small Municipality like Hirakkera and other items of revenue are nominal, the average income and expenditure of this Municipality during the last 5 years commencing from 1908-1909 being Rs 2665 & Rs 2443 respectively.

3 The permanent levy of these items of revenue may therefore be sanctioned so that the Municipality may be enabled to find some funds for effecting sanitary and other improvements

4. As the cost of the proposed Establishment works up to more than 10 p.c of the receipts, only one peon & one Robber menial the monthly contingent grant of Rs 2, may be sanctioned with the relaxation that another peon may be entertained when the revenue from these two sources surpasses so as to reduce the cost of Establishment to the rate usually recognized level of 10 p.c.

5 There is no financial objection to the proposals which have met with the approval of the Council. Hence no. to be transferred to the Hy Dept.

S i r,

Adverting to Government order No. 152-3/Ml.416-09-6 dated the 10th July 1911, sanctioning tentatively for a period of two years, the levy of Octroi and Market fees in Holalkere Municipality, I have the honor to state that with effect from 2nd August 1911, the system was worked out with the existing staff of the Municipality, and it is reported that the total income derived from the source upto 25th June 1912 was Rs1,101-7-8 as particularised in the margin. This may be said to be a fairly good income for the small Municipality.

Octroi. 782-9-2
Market fees. 318-14-6.

2. With regard to the attitude of the people towards the levy of the imposts, it may be stated that certain persons presented a petition praying for the abolition of the duties for the reason that the levy thereof causes inconvenience to the traders and also suggesting that to make up for the loss that may be caused thereby, house and Mohaturfa taxes may be slightly increased and toll gates established if necessary.

3. The petition was forwarded to the Vice-President calling for a report along with the views of the Municipal Board. Copy of the Board's resolution on the subject is enclosed herein.

4. It will be gathered therefrom, that the Board are not in favour of abolishing the Octroi and Market fees. But on the

the other hand, they have resolved that the levy of the same may be made permanent and that the Marginally noted establishment may kindly be sanctioned with a view to manage the collection work efficiently.

2 peons on Rs 6/- per mensem.
Monthly contingent grant of Rs 2/-.

5. Further, the Vice-President reports that if the imposts under advertence be abolished, it will not be possible for the Municipality to make good the loss by revising the Mohaturfa taxes &c, as suggested by the petitioners.

6. The Assistant Commissioner, Davangere Sub-Division in forwarding the connected papers on the subject, supports the views of the Municipal Board.

7. It appears that the petition referred to above has emanated from some of the gardeners residing at Holalkere. It is stated in the petition, that they are put to much inconvenience in taking to their houses in the town, the produce of their gardens even for home consumption.

8. In this connection it may be added that the articles that may be brought for domestic use of course, up to the fixed limit, are exempt from taxation. Octroi is only levied on articles intended for local sale or consumption within Municipal limits, and as such I see no reason for any complaint of the sort in question. The imposts are being levied in this Municipality just like in other sister Municipalities in the District.

9. As the increased revenue from the two sources under reference will go a great way to enable the Municipality in carrying out works of Sanitary improvements &c in the town and also to keep up its finances on a satisfactory basis, I beg to recommend that sanction of Government may kindly be obtained to the Board's proposal.

10. On receipt of Government sanction, due provision for the additional establishment &c required in this connection

connection, will be made in the ensuing year's budget of the Municipality.

11. The Vernacular records ending with Yadi No. 584 dated 1st February 1913, from the Assistant Commissioner, Davangere Sub-Division, giving cover to the Board's resolution &c, are herewith submitted for perusal and kind return.

I have the honor to be,

S i r,

Your most obedient servant,

President of Municipalities,

Chitaldrug District.
